

Zifo RnD Solutions Ranked Number 40 Fastest Growing Technology Company on the Deloitte Technology Fast 50™ India 2016

Attributes its 146 % revenue growth to the Zifo team's collective strength and commitment towards customer's success

Chennai, India, 18th November, 2016 – Zifo RnD Solutions today announced that it ranked Number 40 on the Deloitte Technology Fast 50™ India 2016, a ranking of the 50 fastest growing technology companies in India. Rankings are based on percentage revenue growth over three years. Zifo RnD Solutions grew 146 percent during this period.

Zifo's CEO, Raj Prakash G, credits the team's valuable contributions and undeterred customer focus with the company's revenue growth over the past three years. He said, "*It's a proud moment for Zifo – We have been ranked as the fastest growing organization for the fifth consecutive year! This consistency is reflective of our team's collective strength and commitment towards customer's success. As we run on this marathon, we have noticed that every leg has been marked with memorable events that make our journey exciting and fulfilling. Such recognitions are very refreshing and encouraging for our team.*"

"Being one of the 50 fastest growing technology companies in India is an impressive accomplishment. We commend Zifo RnD Solutions for making the Deloitte Technology Fast50 India five times consecutively with phenomenal growth rates" said Rajiv Sundar, Partner, Deloitte in India.
